COMPONENTS OF POPULATION CHANGE WESTERN AUSTRALIA

There was a rise of 284 deaths in June quarter 1995 from March quarter 1995. However, the number of marriages dropped sharply by 880 from March quarter 1995, repeating the pattern that occurred in 1994.

The number of live births, infant deaths and divorces in June quarter 1995 were similar to the previous quarter.

Analysis of Table 1.4

Rates for marriages in June quarter 1995 dropped sharply from March quarter 1995, reflecting the corresponding fall in the number of marriages.

The rates for live births and infant deaths dropped slightly in June quarter 1995 from March quarter 1995, but increased slightly for deaths.

The divorce rate for June quarter 1995 rose slightly but not as highly from the preceding quarter as it did in June quarter 1994.

For financial and calendar years the rate is per '000 mean resident population. For quarters, the mean is averaged between the previous and current quarterly population.

2 Infant deaths per 1,000 live births.

Reference: Australian Demographic Statistics (3101.0)

In September quarter 1995 there were 7,420 long term and permanent arrivals, an increase of 12% compared with September quarter 1994. Long term and permanent departures increased 10% compared with the same period in 1994.

There were 2,800 permanent settler arrivals to Western Australia in September quarter 1995. This is an increase of 390 arrivals or 16% compared with the same quarter last year. This follows on a 27% increase for June quarter 1995 compared with June quarter 1994.

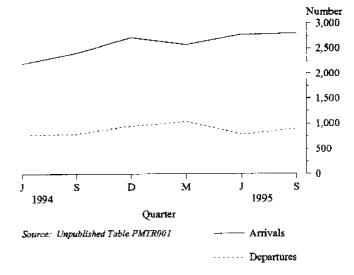

The number of long term overseas visitor arrivals (visitors who intend to stay for longer than 12 months) for September quarter 1995 increased by 1,330 or 101% from the previous quarter. This repeated the pattern of growth for the same quarters in 1994.

The total of 7,420 permanent and long term arrivals in September quarter 1995 exceeded departures by 3,630 or 96%.

INDUSTRIAL DISPUTES

Source: Unpublished ABS data

Data in this table have been revised and now show data from the redesigned retail Business Survey. see Information Paper (8511.0) issued on 1 December 1994 or Retail Trade Australia (8501.0) for more detail on the survey redesign.

Estimated turnover of Western Australian retail establishments during November 1995 was \$1 066.4 million (at current prices), an increase of 4.1% over the previous month. The trend estimates show an increase of 0.5% over the previous month.

From November 1994 to November 1995, trend estimates indicate a national annual growth rate of 7.8%. The annual growth rate for Western Australia for the same period was 8.0%.

The national trend estimates show increases of 0.5%, 0.4% and 0.3% for the months of September, October and November 1995. For the same three months, Western Australia recorded increases of 1.0%, 0.8% and 0.5% respectively.

MONTHLY RETAIL TURNOVER WESTERN AUSTRALIA

Source: Retail Trade, Australia (8501.0)

The All Groups Consumer Price Index (CPI) Perth increased by 0.6% between the September and December quarters 1995.

Major contributors to the change from the September quarter 1995 to the December quarter 1995 were tobacco and alcohol, holiday travel and accommodation in Australia, mortgage interest charges and hospital and medical services, automotive fuel, fresh fruit and vegetables, and motor vehicles

The increase in the CPI from December 1994 to December 1995 was 4.8%.

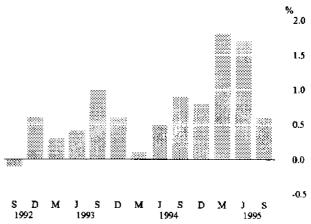

Contributing most to the annual increase were housing (up 9.8%); transportation (up 5.0%); food (up 3.9%); tobacco and alcohol (up 7.1%); health and personal care (up 6.9%) and recreation and education (up 4.0%).

CPI ALL GROUPS: PERTH Percentage change from previous quarter

The number of houses approved in November 1995 increased by 7.8% when compared with October 1995 and decreased by 28.6% when compared with November 1994. The number of total dwelling units approved in November 1995 increased by 8.9% when compared with October 1995 and decreased by 35.9% when compared with November 1994.

The Building Approvals trend series for houses peaked at 1,670 in April 1994 and since that time has steadily declined to a level of 1,016 in November 1995.

Analysis of Table 9.2

After moderate growth in the first two quarters of 1994-95, GSP increased 1.6% and 1.9% in March and June quarters 1995, respectively. The rate of growth in wages, salaries and supplements has increased since September quarter 1994, with a rise of 2.2% in this aggregate in June Quarter 1995. Indirect taxes less subsidies increased 0.9% in June quarter, following two quarters during which little growth was recorded. For more information about this table, call Vic Nowotny (09) 360 5333

For more information...

The ABS publishes a wide range of information on Australia's economic and social conditions. Details are available in the *Catalogue of Publications and Products* is available from any of our Offices (see below for contact details).

Information Consultancy

Information tailored to special needs of clients or in-depth data investigations are provided by the ABS Information Consultancy Services in each of our Offices (available via the contacts below).

National Dial-a-Statistic Line

0055 86 400

(Steadycom P/L premium rate 25c/21.4 secs.)

This number gives 24 hours access, 365 days a year for a range of statistics.

Electronic Data Services

A growing range of our data is available on electronic media. Our Telestats service delivers major economic publications ready to download into your computer on the day of release. Our Ausstats service enables on-line access to a data base of thousands of up-to-date time series. Selected datasets are also available on diskette or CD-rom. For more details on our electronic services, contact Information Services in any of our Offices on the numbers below.

Bookshops and Subscriptions

There are now over 500 titles available from the ABS Bookshops in each of our Offices. The ABS also provides a subscription mailing service through which nominated publications are provided by mail at no additional cost. (Telephone Publications Subscription Service toll free on 008 02 0608 Australia wide).
